ABOUT THE MID-ATLANTIC INNOCENCE PROJECT'S *EVENING OF LIGHT*

OUR FLAGSHIP ANNUAL FUNDRAISING EVENT

Join us for our annual fundraising evening—a celebration of justice, hope, and resilience. This inspiring event serves as a community recognition of our collective efforts to provide free and timely legal services to innocent people who have been wrongfully convicted. Since our founding in 2000, the Mid-Atlantic Innocence Project has been dedicated to correcting and preventing wrongful convictions in DC, Maryland, and Virginia. As one of the leading organizations among the 60 innocence projects nationwide, we have proudly secured the release and exoneration of 45 innocent individuals, who collectively endured over 900 years behind bars for crimes they did not commit.

But our work doesn't stop there. We've championed the passage of 20 transformative laws aimed at improving the criminal justice system for all. By choosing to sponsor this fundraiser, you can play a vital role in the fight to free the wrongfully convicted and ensure that justice prevails. **Together, let's make a lasting impact and inspire change!**
